

Website Eagle Honor's Page

www.bsa1048.scoutlander.com

On the Public side of the Troop 1048 website, we have the EAGLE HONOR page, where we display the names of every Boy Scout in Troop 1048's history who has earned the Rank of Eagle Scout. We would like to honor your Eagle Scout by having their First and Last name on the web site. In order to do this we will need the permission of the Eagle Scouts Parent, in writing. Below is how it would look on the web site with the full name and partial name:

John B. Doe

(Full Name can be used when Scout has turned 18, or with Parent permission)

John D.

(Partial name will be used if Scout is under 18, and Parent has not given permission)

The full name looks more professional and gives more honor to the Eagle Scout. Using just a last initial it could represent any Scout.

As the Parent if you approve the use of your Eagle Scouts full name please sign below.
