

## SCOUT PACK ADULT PARTICIPATION FORM

For over 70 years parents have made Cub Scouting an enriching experience for their boys. We need your help to provide the best Cub Scout program for your son. Your involvement ensures that our Pack will be a Quality Pack. By volunteering for 100 points you will aid in ensuring that your son receives a "Quality Unit" patch for his uniform and get a great Scouting program. Please note that these are general guidelines to provide suggestion on where you can help. The Pack does not require a minimum number or points, nor does it keep track of points. We would like every parent, if possible, to assist with at least 1 Pack activity and 1 Den meeting. Thank you for your support.
